Money Burning

Angela	BX	2, 1	-2, 0	2, 1	-2, 0
	BY	-2, 0	-1, 4	-2, 0	-1, 4
	KX	4, 1	4, 1	0, 0	0, 0
	KY	0, 0	0, 0	1, 4	1, 4

Note that I'm simplifying here; Angela has 8 strategies, but I'm not distinguishing between strategies that differ only in what she does in moves she has ruled out. This doesn't change anything (I think) in this game.
